

The people he can see in the Ring are suddenly covered with a Ring of fire

FRODO: (standing up) I will take it (they continue to argue, not hearing him) I will take it (Gandalf closes his eyes in sorrow) I will take the Ring to Mordor (they all stop and look at him in awe) Tho, I do not know the way

GANDALF: I will help you bear this burden Frodo Baggins, as long as it is yours to bear. (he walks and stands behind him)

ARAGORN: (who has so far not joined in the arguments, stands) If by my life or death I can protect you, I will (he walks up to Frodo and kneels before him) You have my sword

Gandalf smiles and looks at Elrond who smiles

LEGOLAS: *yad edh uyab se adp* (he walks over to join the others)

GIMLI: *ᚱᚰ ᚱᚰ ᚱᚰ* (looking at Legolas who grimaces he too joins the others)

BOROMIR: You carry the fate of us all little one. (he walks towards them) If this is indeed the will of the Council, then Gondor will see it done

JUDGE ME BY MY SIZE, DO YOU?

WAR'S NOT MAKE ONE GREAT.
